"No matter if you are a camper, counselor, or senior staff member, camp is a place where you are free to be yourself, where you will make lifelong friendships, and where you are able to experience new things and gain new skill sets. Greeley has become my home away from home, and when I return each summer, it feels like I never even left."

- Natasha Hanson '10-'15

Introduction

Working at Lake Greeley Camp will change your life. At camp, you are more than just a staff member; you are a brother, sister, mother, father, best friend, teacher, referee, mentor, and all around role model for our campers. This is not a job that just anyone can walk into and succeed in; it takes a special kind of person.

If you are looking for just another summer job, then being a summer camp counselor is not the job for you. If you want to make a positive influence in the lives of children, teach an activity that you love, improve your own leadership skills, and overall make friendships and memories that you will never forget, then this is definitely the job for you.

Being a summer camp staff member is a difficult job. It is also one of the most rewarding jobs in the market, which will give out 100% of what you put in to it. We are responsible for our campers 24 hours a day, seven days a week, for 56 consequent days. If you come to camp for the right reasons, this will be the most memorable experience of your life. You will develop a life-altering bond with your co-counselors and campers that will no doubt leave you a better person.

Background Information

Lake Greeley Camp is a private, residential, overnight summer camp that has been owned and operated by the Buynak family for over 50 years. Founded in 1957, Lake Greeley Camp is the home to 300+ campers and 125 staff members during the summer months. Our campers range in age from 6 - 15, with several 16 and 17 year old campers continuing on in our Leader in Training (LIT) program. While the majority of our campers hail from New York, New Jersey, and Pennsylvania, we do boast a large nationwide and international camper presence. Last year alone, we had campers attend Lake Greeley Camp from: Austria, Canada, England, France, Haiti, Japan, Kenya, Mexico, Russia, South Korea, Spain, Switzerland, Tanzania, and Ukraine.

Location

Lake Greeley Camp is situated on 250 acres of beautiful Pennsylvania forest, located at the foothills of the Pocono Mountains. We are approximately 40 miles from Scranton, PA, 90 miles from New York City, NY, and just over 2 ½ hours to Philadelphia, PA. For our international staff, we do coordinated pick-ups in New York City and Newark Liberty International Airport. The camp also does staff pick-ups at Wilkes-Barre/Scranton International Airport and Lords Valley, PA bus stop.

Philosophy

The philosophy of Lake Greeley Camp can be summarized by this phrase: “a summer camp experience lasts a lifetime.” Lake Greeley Camp’s objective is to bring children together into a healthy camp environment where they will be given the opportunity to develop artistically, athletically, and socially, along with being taught the importance of friendship, independence, and cooperation with others. Furthermore, for the entire Lake Greeley family, Lake Greeley Camp’s experience is all about fun!

What We Are Looking For

“We are dedicated to giving our campers the opportunities to experience new activities, gain independence, learn to live with others, appreciate nature, and come home with lifelong friendships. After a summer at Lake Greeley, children come home happy, poised, and confident with experiences and memories that will positively impact their lives.” - Matt Buynak (Owner & Director)

Because of this commitment that we ensure to our campers and parents, we are very selective about the staff that we comprise year in and year out. There is not a special formula on what makes a great staff member, so we try to identify the traits that we believe will best exemplify our philosophy.

Here are a few qualities and characteristics that we look for in our staff members:

- Demonstrate a passion and genuine desire to work with children
- High-energy, outgoing, enthusiastic team players
- Place the needs of our campers above their own
- Show patience and ability to listen and understand our campers
- Counselors should be able to instruct one or more activities at a high level
- Staff should be comfortable living away from home for an extended period of time
- Lake Greeley Camp is a 100% tobacco-free environment
- We seek staff who are willing to set a positive example to our campers
