Linens/Blankets

We will provide you with 2 sets of linens for your bed, along with 1 pillow, pillow cases and 2 blankets. It is not necessary for you to bring any bedding. **You do need to bring your own towels**

Now! Don't worry to much about the packing list and the items you need to bring. Everything you could possibly need can be purchased very inexpensively from stores like Wal Mart or K Mart.

Laundry

The laundry service we use is sent out in bulk. To make things easier when identifying your items, you may want to label your clothing.

Camp Uniform

There is no daily uniform with shorts and t-shirts being the norm. We do however, require the official camp shirts to be worn for all off-camp trips (we provide you with these).

Electricity

Our cabins are equipped with electricity. You are welcome to bring ipods etc with you. Please note, our electricity is supplied on the Alternating Current (AC) method and not the Direct Current (DC) method. Also electrical outlets in the USA provide 110 volts of electricity, not 220 volts. You will need a converter.

Transportation

Our International staff will be coming through different agencies and although most are arriving to camp on June 19, some of you will be arriving earlier and some later. We will contact you individually to confirm your travel plans to camp.

Staff Orientation

Orientation will begin on the 19th and last 7 days. You are in luck, because this year we will be introducing our new and improved orientation. You will meet all the other staff and learn the camp rules, policies etc. in a fun and exciting way.

Medical Forms

You will find a medical form with this mailing. You probably have already had a medical exam for your sponsoring agency. **Another physical is not necessary.** But you **MUST** fill out pages 1, 2 & 3 on our health form. Bring both health forms to camp with you. You will not be allowed on camp without these forms.

Staff Disclosure Statement Forms

You will find this form in this mailing. Please complete this form and send it to our Winter address. You will not be allowed on camp without this form.

We are very happy to have you as part of our Lake Greeley Family and look forward to seeing you at camp. See you soon!!! Matt & Rose Buynak, Tim, Chris, Moray, Janet & Dave.
