

Bunk Request Form

FOR OFFICE ONLY

Cabin assignments are made based upon each camper's age, grade level, and the camp session in which they are enrolled. In addition, we take into account each camper's hometown or country of origin and strive to maintain a balanced mix of new and returning campers.

To provide the best experience for all campers in the cabin, we have established the following bunk request guidelines:

- Campers may only request up to two campers. **If more than two campers are provided, only the first two campers will be honored.**
- Requests must be reciprocal. A Bunk Request Form must be received from each camper identifying the other before the cabin assignment will be guaranteed.
- Campers must be the same age (within 8 months), and the same school grade or within one year of each other. If a camper in a lower grade requests to be with an older camper, the older camper would drop down and be assigned to the lower grade cabin.
- No more than four campers from the same hometown or school will be placed in the same cabin.
- Bunk Requests must be signed by a parent and submitted **a minimum of four weeks prior to the start of the camper's enrolled session.**

Once you have completed this form, please sign it, scan it, and email it to John Bianco at john@lakegreeley.com. If you prefer, an online version of this form is available in your CampInTouch account under the Forms and Documents heading. **Please note, these are the only two methods by which you are able to submit bunk requests. Phone call or emails will not be accepted.**

If you have any questions, email us at info@lakegreeley.com or call (570) 842-3739.
